Matters in which Karen has been involved include:

- negotiation and settlement of property division and support in a variety of situations including those ranging from basic family holdings to those involving family trusts, corporate holdings, and diverse investments and real property holdings and issues involving marriage agreements and other contracts;
- negotiation and settlement of constructive trust claims for property by non-married spouses, including same sex couples;
- negotiation and settlement of child support issues in respect to minor and adult children; and
- litigation, including court appearances and trials of issues pertaining to child custody, access, and child and spousal support issues, property division and pension matters.
